Mentorship Overview

The **AIM-AHEAD Research Fellowship Program** is seeking **Mentors** for Cohort 4 Fellows. The fellowship, which concludes September 30, 2026, supports 24 early-career researchers using AI/ML to improve behavioral health, cardiometabolic health, and cancer outcomes (AIM-AHEAD North Star III).

Each mentor will supervise one Fellow and serve as a professional role model.

Mentors should have expertise in AI/ML and health research and be committed to supporting fellows' research and career development.

For eligibility requirements and expectations, please view the full Call for Mentors.

Application Deadline

 **October 24, 2025**

 **11:59 PM ET**
