

AIM-AHEAD CLINAQ Fellowship Program

CALL FOR MENTORS

[Click Here to Apply!](#)

Mentorship Overview

The **AIM-AHEAD CLINAQ Fellowship Program (Cohort 2)** is seeking experienced **Mentors** to guide clinician-researchers applying artificial intelligence (AI) and machine learning (ML) to clinical problems.

Mentors will provide technical and clinical mentorship, practical guidance on study design and regulatory readiness, and support fellows in translating research into measurable clinical impact.

Ideal mentors include established clinicians, researchers, informaticians, data scientists, or implementation leads with experience in clinical research, AI/ML methods, or translational implementation.

For eligibility requirements and expectations, please view the full Call for Mentors.

Application Deadline

November 17, 2025

11:59 PM ET
